Kincord Collection

FEATURES

You could play it safe. Or you could choose to stand out in the crowd with this brilliantly styled sectional with power. Ultra cool, ultra contemporary and ultra comfortable, this fashion-forward sectional sports a fabulous faux leather enhanced with contrasting stitching that’s right on point. Rest assured, sumptuous pillow top armrests and sleek channel cushioning feel every bit as good as they look. Enlightened elements include a power control with USB plug-in and blue LED lighting (by the cup holders) to create an experience worthy of A-listers.
