INTRODUCING THE NEWEST FABRIC  
**nuvella**  
 PERFORMANCE FABRIC  
 Choose Your Style and Choose Your Fabric!

**100%** solution dyed material.  
 colorfastness & anti-fading

Due to the nature of the yarn, the material will yield high performances for stain resistance, colorfastness to light and increased abrasion.  
 Nuvella is made from solution dyed synthetic fibers. In the solution dyeing process, dye is added to the molten polymer and extruded into colored fibers. This results in 100% penetration of color into the fibers.
