MARSING NUVELLA® COLLECTION

Marsing Nuvela® Collection

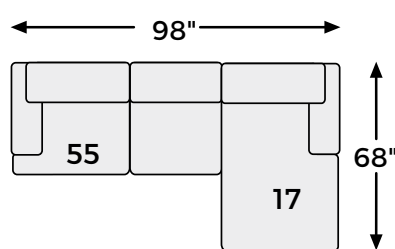

FEATURES

Clean, contemporary style is so easy to love. And it just got a whole lot easier with this 5-piece sectional in slate gray. That's because the rich, wool-like upholstery—inspired by tailored menswear—is made of high-performing Nuvela® fabric. Fade-resistant, stain-resistant and a breeze to clean, Nuvela is so fantastic it's used on outdoor furniture. Relax. It's also indulgently soft, making it a wonderfully welcome addition to indoor living spaces, too.
